MEET THE *founders*

Olivier

Co-Founder

I have a degree in Business Administration from the University of Liège in Belgium and an MBA from ESADE in Barcelona, where I have been living since 2000.

I have always been passionate about real estate, first on a personal level and now as co-founder of Dupont Estate.

After working for several years as an online marketing manager in large companies, I decided to dedicate myself to my passion: accompanying people who want to sell or buy their property.

With more than 10 years of experience in the real estate sector, I strive every day to ensure that the service we offer is exclusive and excellent. Together with Maria Inmaculada, I accompany and advise homeowners and buyers throughout the whole process of their sale or purchase.

I am fluent in Spanish, French and English.

Maria

Co-Founder

With a degree in Advertising and Public Relations from the Autonomous University of Barcelona and a Master's degree in Marketing from the Polytechnic University of Catalonia, they say I should have studied law or architecture.

After working for several years as a Product Manager in large consumer companies, I decided to dedicate myself to what I preferred: helping people to convey their home and to find a new home.

Together with Olivier, the development of creative processes, combined with a naturally empathetic approach, has allowed us to develop a unique agency solution.

My greatest satisfaction is to see the happiness of our clients on the day the sale is signed at the notary's office.

I am fluent in Spanish, Catalan and French.
